

# SeeMore™ USB Probes

We revolutionize imaging devices.

## INCREASE YOUR REVENUES WITH THE SEEMORE OB SCANNER™

- Turns every computer in your facility into an ultrasound imaging system.
- Affordable, portable, and easy to use.
- Easy “quick look” without tying up other systems. No more “dead time” waiting for system.
- Exams billed using same CPT codes as any other ultrasound imaging system.

### AB PROBE

### FETUS
