INTRODUCING THE

**SeeMore™ Ultrasound Imaging Probe**

The first ultrasound probe that plugs directly into your laptop

Recognized as one of the top ten innovations of the year by the International Academy of Science, **SeeMore™** extends your vision beyond your fingertips.

**Probes for every Application:**

**Abdominal Probes:** Bladder, Aorta, Liver, Kidney, Gall Bladder, OB

**Peripheral Imaging Probes:** Vascular Access, Nerve Blocks, Testes, Intraoperative, Musculo-skeletal

**Endocavity Probes:** Transrectal, Transvaginal

And others… (3.5 MHz – 24 MHz)

Interson Corporation, located in Silicon Valley, has been a leading manufacturer of ultrasound imaging probes since 1989. Interson products are designed, manufactured, and distributed in full accordance with the requirements of FDA’s Quality System Regulations and other U.S. and international quality system standards.
SeeMore™
